THE MILLION DOLLAR ANGLER

YouTube fishermen, there is only one thing better than having your video watched on YouTube: that's getting PAID to have America watch your video. Each week our celebrity judges and our live audience will choose from your mailed-in videos. Their five (5) choices will be posted on our web site each week where online America will vote which video will stay and which ones must go. Get paid cash and prizes for every week your video stays on our site!

After online America, our live audience, and our celebrity judges decide who our final 13 teams will be, these teams will fish in 13 tournaments across America. Each week tournament results and America's vote will eliminate (one) 1 team per week until we our down to 1 team. Do not forget that this is a reality show and as in reality some of our best laid plans are stayed as life interjects odd twists in the search for America's MILLION DOLLAR ANGLER.
